Stock up for slugs & sales

Get ready for slug season with the complete range of poison-free slug control from Defenders. Natural barriers, re-usable traps and biodegradable pellets provide plant and crop protection from slugs and snails, ideal for organic gardening.

Slugs away does not contain metaldehyde and is available in a variety of display options.

Green-finger friendly slug control

The average UK garden is home to over 20,000 slugs. Defenders Slugs Away will provide season-long plant protection, without using chemicals or poisons.

Slugs Away Wool Pellets

- Wool-based pellets naturally deter slugs and snails without using chemical controls
- Forms a blanket mulch when watered or after rainfall
- Suitable for organic gardening, with natural slow-release of plant nutrients from manure
- Also acts as a weed suppressant and reduces the need for watering
