The STV Autumn Collection is designed to simplify range selection and optimise rates of sale and margin on a range best sellers. We've selected key product ranges with rising consumer demand in autumn and winter to make seasonal merchandising and promotion easy and profitable.

Every deal is offered at a standard net price of £500* and is supplied with **FREE** high quality merchandising and supporting point of sale material.

At full retail prices each deal will generate £1,500 and deliver gross margin of 60%.

* TV011 Net price £400 generates £1000 at RRP

RAT & MOUSE

Accounting for almost 40% of all pest control sales, demand for rodent control peaks in Autumn.

MARKET VALUE

£65m

DAMP & MOULD

More than 1.3million homes in the UK suffer with damp and mould. Demand for solutions to the problem grows as the weather cools in Autumn and peaks in the depth of Winter.

MARKET VALUE

£77m

WILDLIFE

Including wild bird care, beneficial insects and garden mammals, the market for wildlife care peaks thanks to gifting opportunities at Christmas and then again in early summer.

MARKET VALUE

£250m

HOUSEPLANTS

The average household spend on houseplants and flowers, including care products is £25 - £35 and sales have two distinct peaks - one in December and the second in late Spring.

MARKET VALUE

£2.2b

Britain's best selling rodent controls ready for the seasonal demand peak in Autumn and early Winter

Autumn demand for clothes moth solutions as consumers take out their winter woollens and find the inevitable damage

Top selling wildlife care products targeted at overwintering and hibernating garden animals and insects - great for gifting opportunities
